

Campsie Cemetery

Client: East Dunbartonshire Council
Form of Contract: NEC3 Option B
Duration: Jul 2011 to Nov 2011

Main Description

The works comprised of the construction of a new cemetery facility adjacent to the existing Campsie Cemetery, Lennoxton. The works included construction of a new 800 meter long access road, car parking, softworks, surface water drainage, lighting and hard landscaping. New footpaths and kerbing were constructed as part of the works.

Works included:

- Clearance of the site
- Earthworks including the excavation of 4000 ton of peat.
- Construction of 800 meters of an access road.
- Laid new path including all surfacing and kerbing.
- Installation of all drainage.
- Services protection – fibre optic cable and live water mains.
- Ducting for services.
- Alterations to fencing at new entrance.
- Installation / commissioning of lighting columns.
- Seeding / planting works.
- Painting of railings.
- Completed turfing and top soiling.
