

N24 Tankerstown Cross Realignment

Client:	South Tipperary County Council
Form of Contract:	Public Works Contract for Minor Building or Civil Engineering Works Designed by the Employer
Duration:	Oct 2010 to Jan 2011
NRS Role:	Main Civil Engineering contractor and PSCS

Main Description

This project involved the realignment of an existing crossroads at Tankerstown, Co. Tipperary between the N24 national primary route and the L31024 and L4307 local roads.

Works Included:

- Extensive traffic management as works took place on a live road with an AADT 7,000.
- Excavation of the existing carriageway.
- Construction of new earthworks embankments,
- Installation of surface water drainage.
- Temporary protection measures around a fibre optic cable in the works area.
- Installation of services (water, telecoms and electrical).
- Laying of bituminous materials.
- Provision of road markings and all traffic signage.
